Notice

The Clerk of the United States Bankruptcy Court is creating a register that will list the mailing address of various agencies of the United States or the Commonwealth of Pennsylvania. Federal Rule of Bankruptcy Procedure 5003(e) has been amended to allow governmental units of the United States or the state in which the court is located to file a statement designating its mailing address with the clerk who shall maintain a register. It is not mandatory that agencies submit a mailing address for the register. Interested agencies should submit a request by mail to be added to the register to: Theodore S. Hopkins, Clerk, U.S. Bankruptcy Court, 5414 USX Tower, 600 Grant Street, Pittsburgh, PA 15219. The person submitting the request should state that he or she has the authority to file the statement designating that agency's mailing address for inclusion in the register.
